

**Autolite**  
IGNITING YOUR PASSION

**IRIDIUM ULTRA**®

**Autolite Iridium Ultra**® is an engineered OE replacement iridium spark plug. A laser-welded 0.5 mm iridium finewire center electrode provides optimal fuel efficiency, acceleration and focused ignitability.

High-alumina ceramic insulator for increased strength

Nickel-plated shell to resist corrosion

Laser welded 0.5 mm Iridium finewire center electrode

Proprietary, platinum sidewire technology
